Erika with the windy yellow hair  
Dancing through the day or moping by the stair  
My joy to know my Erika with the windy yellow hair

Yesterday I met her running home from school  
Her face was tear stained, she didn't know I knew  
But I do, I do

But today she had a song to sing and a poem she knew  
And with a kiss and a hug she just dashed away,  
she had things to do I do too, I do too

Lithesome child, I turn with care  
When viewing you on step or stair  
All my hope and love for you,  
My Erika with the windy yellow hair
